

2008 BUDDYWALK

BE A BUDDY... BE A STAR!

Sunday - Sept. 28th Acacia Park, Henderson

Dear Fellow Buddy,

Hello Again Everyone! Enclosed is a 2008 Team Captain Kit for the Buddy Walk. You are receiving one because you have either done a team in the past or showed an interest in forming a team. We hope everyone comes back this year to make the 2008 Buddy Walk the best one ever! And we are so glad to be returning to the beautiful city of Henderson.

(If you are not doing a team this year, you can either return the Team Captain Kit to us or pass it on to someone else who might want to form a team. Remember, if you cannot actually attend the walk you can still participate by forming a virtual team.)

The Team Captain Kit contains all the information you need to get your team off to a successful start. And here are some extra reminders and tips to keep in mind:

- The VERY FIRST THING is to complete and send in your Team Captain Commitment Form
- Enclosed is a Buddy Walk Brochure. Either make copies or call the office and we will send you as many as you want. We need each one of your walkers on your team to fill one out and sign - which includes the walker waiver
- Please display the enclosed Buddy Walker in your work, place of business or ask a business you patronize to display the poster. Call the office and we can send you as many of these as you want.
- Also, please call the office and request as many Walker Envelopes and Team Captain Envelopes that you need.
- Remember to sign yourself up and have all your walkers sign up for their own Firstgiving.com fundraising page.

Don't hesitate to call 702-648-1990 if you have any questions or need anything. I am here to help you every step of the way. Or email me at dcline@dsoso.org

Thanks again for your past participation and we hope you form a team and join us on September 28th at Acacia for a really great time in raising funds and promoting awareness about Down syndrome.

And Remember... Everyone can BE A BUDDY AND BE A STAR!

Thank You Ever So Much, Deann Cline – Director of Fund Development
