It is only through the support from the community at large, private sponsors and partners like you, that DSOSN is able to continue the work of helping our members to develop their confidence and self-advocacy skills. In keeping with our person-centered programs, we believe that it is only when our members are individually equipped with the skills to advocate for themselves, that they will truly be able to be fully integrated, included, and participate in society...like everyone else.

On behalf of all our members, their families, friends, supporters, and volunteers, THANK YOU for your tax-deductible donations (For monetary contributions, please write checks in the name of DSOSN. See also attached a list of suggested in-kind donations).
