MUSIC THERAPY CLASS (ADULTS)

This Music Therapy class for adults is held every Wednesday, from 5:30pm-7pm. Starting in August, this class will be extended to include performing arts-related activities. Volunteers will be helping the instructor(s) as needed, depending on the nature of activity being focused on in class. The activities may include the playing of instruments, choreographing a dance routine, or preparing for a play/skit, or a variety-show performance. We are asking for three volunteers per class. For more information about this class, please contact Kelly at 702-648-1990 or 702-443-5927.
