

# DSOSN VOLUNTEER SIGN-UP SHEET

## DSOSN COMPUTER LAB CLASS-2024

The purpose of this class is to create a fun-learning environment where our members are given access to the digital space and exposure to the wide world of the internet. The learning activities will include basic key-functions on laptop computers; introduction to Microsoft Suite (MS Word and PowerPoint); internet browsing; shopping online; sending email (and attaching documents); accessing/playing recreational/educational games online, and introducing participants to some social media protocols, etc. This year's classes will be held on **Tuesdays, from 4:00 pm to 5:30.pm, starting on April 23, 2024**. Ideally, we would like to pair one volunteer with each participant, and we are anticipating 10 participants per class. For more information about the Computer Lab class, please contact Kelly at (702) 443-5927, or by email at [kelly.tomlinson@dsosn.org](mailto:kelly.tomlinson@dsosn.org).
