

## **SPONSORSHIP PACKAGE**

### **DSOSN LAS VEGAS BUDDY WALK-2025**

By joining us as a partner in presenting the DSOSN-Las Vegas Buddy Walk-2025 event, your financial support will be an investment not only in the success of the event, but more importantly, in the future of our members, their families, and the broader disability community of Southern Nevada.

In addition to offering a variety of social/recreational programs and activities, your support will also help us to provide programs that are designed to address the critical needs of our members (see summary of some of the programs that will be benefitted from your contributions below):

1. **Music Therapy** (ages 0-6)  
Music Therapy is designed for children ages 0-6 years old, who are diagnosed with a disability.
2. **Computer Lab:**  
This program is designed to introduce DSOSN members to the digital space in the wide world of the internet, and how to access and utilize informational, educational, and entertainment resources like everyone else.
3. **Public-Speaking Class:**  
This is a 10-week course, designed to develop self-advocacy and public speaking skills; verbal communication; essay writing, and comprehension skills.
4. **Reading Clinic:**  
This program addresses the critical needs of a growing number of our members (from grade school level to grown adults), to enhance and/or improve their reading and comprehension skills.
5. **Assistive Technology Program (AT):**  
To ensure that our members have ongoing and continued access to the digital space, DSOSN has created an iPad and laptop computer loan program, where these devices are made available to members upon request.
6. **Performing Arts:**  
The Performing Arts Program allows DSOSN members to maximize and showcase their artistic skills and abilities, under the guidance and direction of trained professionals.
7. **DSOSN Dance Program:**  
Like the Performing Arts program, the DSOSN Dance Program was developed to create an environment where our members can enhance their dancing skills, beyond their self-taught dance routines.
8. **Cool-21**  
The Cool-21 program is held monthly and is designed to provide age-appropriate social activities and events for members who are 21 years and older
9. **Art-Painting Class**  
The Art-Painting Class is facilitated by a professional artist and is modeled after Pinot's Palette: The instructor creates a painting and then guides the participants in a step-by-step process on how to replicate the painting
10. **Sports and Athletic Activities:**  
In addition to sponsoring DSOSN members to participate in different sports programs provided by collaborating partners, we have also expanded our in-house sports activities to include Tennis; Bowling; Golf, and Swimming.
11. **Pre-Employment Preparation, Training, and Job-Placement:**  
This is a developing person-centered structured program, where DSOSN members will be trained for employment opportunities, suited to their abilities.
12. **Scholarship Program:**  
DSOSN has created a Scholarship Program to raise funds to sponsor and/or supplement the cost of members who have the interest and ability to pursue their academic/career developmental goals on a college campus.

**It is only through the support from the community at large, private sponsors and partners like you, that DSOSN can continue the work of helping our members to develop their confidence and self-advocacy skills. In keeping with our person-centered programs, we believe that it is only when our members are individually equipped with the skills to advocate for themselves, so they can be fully integrated, included, and become active participants in society...like everyone else.**

**On behalf of all our members, their families, friends, supporters, and volunteers, THANK YOU for your tax-deductible donations.**
